**9am-12pm Growing & Flowing:
Smooth, Strong Energetics**

Slow down. Take a deep breath. Enjoy the movements, and improve your stage presence to boot. In this class we will dance a fresh choreography, all the while focusing our intentions upon the breath and the flow of chi (energy) through the entire body. Healthy, fun, intense, and highly recommended for any dancer wishing to bring a more mature, sophisticated look to their dancing.

**1pm-4pm Tribal Fusion Accuracy:
The True Nature of Multi-tasking**

This workshop is for every style of belly dancer, and especially created for the dancer who wishes to master more complex isolated moves. This workshop is drill-focused, energetic, and is for all levels, beginner through professional. Get ready to sweat, to breathe, and to accomplish!
